* ECOCERT Natural and Organic Cosmetics label defines that a minimum of 95% of the plant-based ingredients (for example, plant extracts and vegetable oils) must be certified organic and a minimum of 10% of the total ingredients must be certified organic. This label applies to MADARA skin care products except ecohair and ecobaby shampoos/washes and herbal deodorant.

** ECOCERT Natural Cosmetics label defines that a minimum 50% of the plant-based ingredients must be certified organic and a minimum of 5% of the total ingredients must be certified organic. This label applies to MADARA ecohair and ecobaby shampoos/washes and herbal deodorant.

*** Some MOSSA products contain natural grain alcohol. Although grains like wheat and rye contain gluten, grain alcohol are safe for persons with celiacs disease because gluten doesn't survive the distillation process of alcohol production. MOSSA products containing alcohol are labeled as gluten-free.

**** MOSSA products do not contain peanuts, walnuts, hazelnuts, almonds, cashews, pecans, brazils, pistachios.

***** MOSSA products are not tested on animals during any stage of product development.
