CERTIFIED SKINCARE

Nordic Berry Energy

Simple, nature-powered
and ethical beauty

Good skin starts with kind ingredients.
That`s why we ethically source the **juiciest
berries** from Nordic nature, which are a mega
source
of nutrients and vitamins.

MOSSA ingredients and final formulations are ECOCERT/ Cosmos certified. So that, whichever formulation you pick, you can be sure it's safe, effective, good for your skin and good for the planet. But there is more – we take a big step to reduce the ecological footprint by providing our unique formulas with recyclable packaging.

Safe Sustainable Organic

Natural cosmetics are better for you simply because they are made of better ingredients

- NO unnecessary preservatives
- NO synthetical fragrances
- NO artificial colourants
- NO cruelty to planet or animals
- NO twisted philosophies

We stand for

Certified Natural/Organic

Our cosmetics are ECOCERT/Cosmos certified, which is a 100% guarantee that the product is natural.

Dermatologically Tested

Your skin adores it! Proven effectiveness and excellent skin compatibility to reach the happy state of skin.

Formulated Vegan

All MOSSA formulations are suitable for vegans. The only exception, Vitamin Cocktail Day Cream, is a vegetarian.

Recyclable packaging

Our tubes and bottles are made from recyclable materials so you can show love to your skin and Earth equally.

Powered by green energy

More than half of the electric energy we use to manufacture our cosmetics comes from 100% renewable sources.

Pre-Rebranding

Post-Rebranding

Strawberry

The Hair beautifier

C
Vitamin

B3
Vitamin

O
Omega 3-6
Fatty Acids

Strawberry seed oil contains Omega 3 and Omega 6 unsaturated fatty acids, as well as high doses of vitamin E, providing strong antioxidant benefits. A remarkable dose of ellagic acid adds to the powerful antiradical activity to protect the hair from environmental stressors.

Carbohydrates, also known as natural sugars, exhibit hydrating activity for stronger, more resistant and shiny hair.

Blueberry

The antioxidant champ

A
Vitamin

Anthocyanins

E
Vitamin

Due to high concentrations of anthocyanins, a unique type of antioxidants, prevents collagen degradation and helps to protect skin cells against the UV exposure.

Rich in vitamins A, B and C, blueberry protects your skin from environmental ageing by neutralising free radical damage. Vitamin E keeps your skin calm and comforted.

Cloudberry

The glow Kickstarter

A
Vitamin

E
Vitamin

C
Vitamin

With 4x higher concentration of vitamin C than in orange or rosehip, cloudberry is famous for its comforting, nourishing and skin enhancing properties. Vitamin A helps to detoxify the skin and neutralize the negative environmental impacts.

Cloudberry is rich in omega 3 and 6 fatty acids that nurture and strengthen the skin's barrier.

Cloudberry

The glow Kickstarter

Phenols

Anthocyanins

○

Omega 3-6
Fatty Acids

70% of blackberry seed oil consists of polyunsaturated fatty acids like Omega 3-6, that help to repair the skin's hydrolipid barrier, balance the level of moisture and strengthen the skin's protective abilities.

Vitamins, anthocyanins and phenols help to fight oxidative stress, slow down ageing and promote cell renewal.

Blackcurrant

The breakout controller

Anthocyanins

E

Vitamin

○

Omega 3-6
Fatty Acids

The anthocyanin-rich extract of blackcurrant helps to control bacteria and breakouts by suppressing the growth of both gram-positive and gram-negative bacteria.

Strong anti-ageing and free radical scavenging properties make this berry the perfect anti-blemish solution not only for young, but also maturing skin.

Wild plum

The velvety comforter

E
Vitamin

O
Omega 3-6
Fatty Acids

C
Vitamin

Rich in unsaturated fatty acids, as well as vitamin E, extract of golden plum strengthens and smooths the skin for instantly comforted and enhanced complexion.

Vitamin E plays a key role in preventing collagen deterioration and in stimulating the skin healing. Brings softness, nourishment and hydration to damaged skin.

White Currant

The AHA superhero

Phenols

AHA
Fruit Acids

C
Vitamin

Due to the high concentration of AHA fruit acids, extract of white currant helps to purify the skin and balance its pH. Moreover, white currant has soothing, anti-inflammatory and anti-redness properties.

Natural phenolic compounds help to protect against collagen breakdown to keep the skin plump, smooth and soft.

Cranberry

The beauty activist

Phenols

Antioxidants

C
Vitamin

Extract of the world-famous cranberry is rich in antioxidants that help to defy ageing and loss of elasticity promoting more resilient skin. Cranberry antioxidants slow down the ageing process for renewed smoothness and elasticity.

Phenols deliver strong anti-inflammatory effects to leave your skin calm, smooth, hydrated and comforted.

Quince

The brightening multitasker

Pectin

AHA
Fruit Acids

C
Vitamin

Rich in organic fruit acids and vitamin C, quince helps to keep your complexion smooth, even and uniform. Pectins support the rejuvenation processes in the skin to prevent skin tone alterations, loss of elasticity and glow.

Vitamin C helps to refine the complexion for a smoother, softer and better-looking skin surface.

Raspberry

The soothing comforter

Phenols

O
Omega 3-6
Fatty Acids

C
Vitamin

Raspberry seed oil consists of linoleic, alpha linolenic and oleic acids. The composition of these omega 3-6 fatty acids have been proven to reduce the effects of oxydative stress in the skin.

Rich in phenolic compounds, raspberry seed oil inhibits biological mechanisms that contribute to skin redness (couperosis, rosacea), and shows superior anti-inflammatory properties.

Raspberry

The soothing comforter

E
Vitamin

A
Vitamin

O
Omega 3-6
Fatty Acids

Sea buckthorn oil provides a rich supply of the rare Omega 7, vitamins A and E. Helps to strengthen the skin's immunity and protective abilities, stabilizing cell membrane structure.

This Nordic superhero has positive effects treating sun damage, reducing inflammation and strengthening the skin's resistance mechanisms.

Instagram

The screenshot shows the Instagram profile for 'mossacosmetics'. At the top, there is the Instagram logo, the name 'Instagram', a search bar, and 'Log In' and 'Sign Up' buttons. The profile header includes a circular profile picture of a white cosmetic bottle, the name 'mossacosmetics' with a 'Follow' button, and statistics: '14 posts', '71 followers', and '15 following'. The bio reads: 'MOSSA COSMETICS Official', 'Good skin starts with kind ingredients.', 'Explore the juicy Northern berry goodness! 🍷', and 'www.mossacosmetics.com'. Below the bio are tabs for 'POSTS' and 'TAGGED'. The main content area displays a grid of nine images: a white cosmetic bottle, a close-up of blueberries, a product bottle on a table, a blueberry with text 'Blueberry The antioxidant champ' and 'E Vitamin', 'A Vitamin', 'Antocyanins', a blue bird on a branch with a 'yay!' speech bubble, a hand holding a bunch of blueberries, a hand applying a product to a shoulder, and a hand holding an orange over a shelf of products.
